

2009 Engineer of the Year

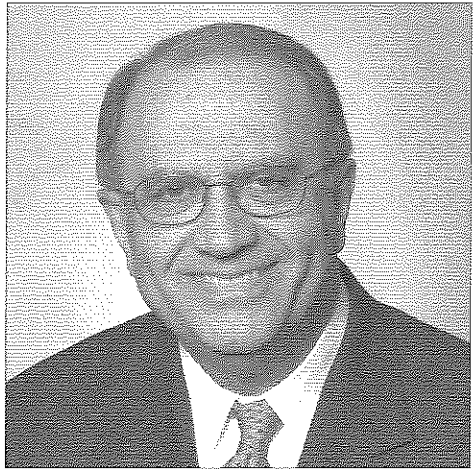

Roger Behgam, PE

*Texas Society of Professional Engineers
Dallas Chapter*

Roger Behgam is a program manager with URS Corporation and was a principal of LOPEZGARCIA GROUP before the firm was acquired by URS Corporation. He graduated from Lamar University with a Bachelor of Science and Master of Engineering in Civil Engineering. Roger is a member of Chi Epsilon Civil Engineering Honor Society and a licensed professional engineer in the state of Texas.

Roger has contributed to major engineering projects for public and private clients throughout the Metroplex and the United States. His accomplishments include significant contributions to the Dallas Arts District reconstruction, Downtown Fort Worth renewal, River Legacy Park in Arlington, several projects at the Dallas/Fort Worth International Airport, including the Sky Link, the Cowboys Complex in Arlington, Dallas Area Rapid Transit and Texas highway projects.

Roger has served the Dallas Chapter of TSPE in various roles, including vice president and has participated in E-Week coordination. He also has been very active in ASCE and is past-president of

the Dallas Branch and vice president, Technical, of the Texas Section.

Roger and his wife, Beverly, have been married for 38 years and have two children and a beautiful granddaughter. Roger enjoys travel and photography, has contributed to youth basketball and Boy Scouts and serves on Arlington's Citizen Environmental Committee.
